MPHS Homecoming Dress Code

In order to maintain a healthy, safe, and orderly environment, the following guidelines shall be used as standards at the Homecoming Dance.

1. Large coats will not be permitted.
2. Undergarments must not be showing.
3. Appropriate length skirts and dresses may be worn. These garments must be mid-thigh length or longer. No slits higher than mid-thigh as well.
4. No midriff can show (even when arms are raised). Two-piece dresses must overlap. Mesh/see-through inserts in the midriff are not allowed.
5. No skin can be shown in the chest area.
6. Back of dress must not be too low-cut or revealing. Back of dress should not go below natural waist. Corsets must be laced closed or adhere to open back rule.
7. Any illusion that occurs between the underarms and mid-thigh area must have a backing material under it so that no skin is showing.
8. Boys' shirts must be buttoned up (and remain buttoned up) to at least the second button from the collar. Shirts must stay on throughout the entire dance.
9. Pants should fit properly on the hip and not sag below the waistline.

Students who are inappropriately dressed shall be denied entry. Students that are denied entry may have the opportunity to leave and remedy the violation and return to the dance once appropriately dressed. If the student dresses inappropriately and/or chooses not to return, refunds will not be given. The school reserves the right, at any time, to amend the above dress code.
