

Certificate of Estimated Property Tax millage Rate

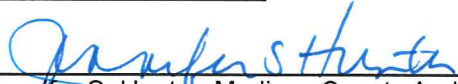

(Use this form when a taxing authority certifies an amount of revenue and requests the millage rate required to produce that revenue. Do not use this form for bond levies. Use DTE 130 for all bonds.)

The County Auditor of Madison County, Ohio, does hereby certify the following:

1. On January 17, 2018, the taxing authority of the Madison-Plains Local School District certified a copy of its resolution or ordinance adopted January 10, 2018, requesting the county auditor to certify the current tax valuation of the subdivision and the number of mills necessary to produce \$2,050,000 of revenue, to levy a tax outside the ten-mill limitation for purposes pursuant to Ohio Revised Code Section 5705.195 to be placed on the ballot at the May 8, 2018 election.

The levy type is Emergency

2. The estimated property tax millage required to produce the stated revenue, assuming the tax valuation of the subdivision remains constant throughout the life of the levy, is calculated to be Six and twenty six point four hundredths (6.264) mills for each one dollar of tax valuation, which is Sixty two point six four cents \$0.6264 for each one hundred dollars of tax valuation.
3. The total tax valuation of the subdivision used in calculating the estimated property tax millage rate is \$327,250,820.

"Total tax valuation" includes the taxable value of all real property in the subdivision as indicated on the tax list most recently certified for collection and estimates of the taxable value of personal and public utility personal property for the first year the levy will be collected as set forth on the worksheets prescribed in conjunction with this form. If the subdivision is located in more than one county, the home county auditor (where the greatest taxable value of the subdivision is located) shall obtain the assistance of the other county auditors to establish the total tax valuation of the subdivision.
2. For purposes of this certification, "subdivision" includes any agency, board, commission, or other authority to request a taxing authority to submit a tax levy on its behalf.
3. "Levy type" includes the following: (1) additional, (2) renewal, (3) renewal with an increase, (4) renewal with a decrease, (5) replacement, (6) replacement with an increase, and (7) replacement with a decrease levies.
4. For purposes of this certification, we suggest you round the millage to the nearest tenth (0.1) of a mill. This insures that whole cents will be presented here and on the ballot.
5. Please file this certificate with the subdivision as soon as possible, so the taxing authority can pass a resolution to proceed not later than 75 days before the election.
